

Dear Member,

Greetings from Malaysia!

I realize this is rather late, but having received so many messages, we want to thank each and every one of you that has emailed, phoned or prayed for us when you heard the news that the Tsunami had hit Penang. I am glad to say that we here in Malaysia were spared the worst of the wave, but sadly some 68 people lost their lives all the same – 16 right on the beach in front of our home.

Having escaped the wave by a mere 30 seconds (*we were driving home from church and saw it hit the shore beside us as we turned and followed the road inland*), I can report that we, as well as all our office staff, are safe and that our homes and office have not been harmed in any way - His grace and mercy were with us ... and we are very thankful.

Thank you again for all your prayers and kind thoughts.

Blessings, Michael & Khim
