

# A new kind of health service

Navigating a foreign health system can be tricky, especially when you're unwell. Starting November 15 2016, Aetna is offering all Talent Trust members free access to Doctor Care Anywhere - a new program that gives you unlimited consultations with highly trained doctors 24/7/365 for any non-emergency medical advice.

Doctor Care Anywhere doctors are available for consultations by phone or video at any time, as often as you need. Aetna is providing Talent Trust members completely free access to the service, and it will not impact your insurance cover with Talent Trust and Aetna.

Register starting November 15 to get your access: [www.doctorcareanywhere.com/aetna](http://www.doctorcareanywhere.com/aetna)

1. Register to use the service - it only takes a minute. You'll receive an email invitation from Aetna with a link, or you can go to [www.doctorcareanywhere.com/aetna](http://www.doctorcareanywhere.com/aetna) at any time to register. You will need a voucher code to register for the service, which will be your 16-character TTC certificate number including dashes, for example TTC-XXX-XX-XXXXX. When you register you can also invite your eligible family members to the service.

2. Book a video or phone appointment with a doctor anytime. You can book online with [www.doctorcareanywhere.com/aetna](http://www.doctorcareanywhere.com/aetna), or by downloading the mobile app, "Doctor Care Anywhere For Aetna International".

3. When it's time for your appointment, log back into the website or use the mobile app to start the video consultation with your doctor. Or, if you opted to do the consultation by phone the doctor will call you at the appointment time. Consultations cannot be done if you are in the USA.

Doctor Care Anywhere services are available to Aetna members of Talent Trust Consultants only. Doctor Care Anywhere, together with its doctors and staff, are independent contractors and are neither agents nor employees of Aetna. Aetna does not provide care or guarantee access to health services. Doctor Care Anywhere is not an emergency service. Doctor Care Anywhere does not guarantee that its doctors will write a prescription. Prescriptions may not be allowed in all countries due to local regulation. Consultations cannot be done if you are in the USA.
